A PRESENTATION ON THE FIELD GUIDE TO NORTHWEST MICHIGAN

Bring James Dake, author of regional best-seller, “Field Guide to Northwest Michigan” to speak on the making of the Field Guide. James will share stories behind the photographs that make up the field guide and illustrate what makes Northwest Michigan unique. This is a great presentation to inspire people to get outdoors and explore and protect our beautiful state.

James Dake has presented at the National Association for Interpretation, Wildflower Association of Michigan, Northwestern Michigan College, and many local schools and libraries.

RATES

Large group and library presentations available year-round. Rates are for a one hour program.
