THANK YOU FOR YOUR SUPPORT!

Grass River Natural Area

Nestled in the hills of Antrim County in Michigan's northwest corner of the lower peninsula, the Grass River Natural Area encompasses lakes, a meandering river, rushing streams and crystal clear creeks – a haven for plant and animal life, including both rare and endangered species spanning five distinct ecotones. This natural eco-guardian project and adventure in environmental tourism lies midway on the renowned Chain of Lakes waterway, a connector of Torch and Clam lakes, and Lake Bellaire.

Grass River Natural Area has something to offer everyone, 365 days a year, free of charge.

- Boat the river
- Hike the trails and boardwalk
- Snowshoe and ski
- Enjoy over 1,300 acres of unspoiled wilderness

GRNA is a rustic preserve with few amenities, but that is part of its charm. The access road is well maintained and some areas are handicapped accessible.

The GRNA volunteer Board of Directors and Staff would like to thank you for participating in our annual flower sale. Your generous support helps us with:

- Preserving land and streams
- Maintaining trail signs and boardwalks
- Providing programs for children and adults
- Offering school visits
- Scheduling year round community events

If you have questions about the Flower Sale, or about the Grass River Natural Area, please call one of us on the GRNA Flower Sale committee and we'll be happy to help.
