THANK YOU FOR YOUR SUPPORT!

New This Year: Plantable Biodegradable Pots:

We are going green this year with biodegradable pots made from pressed rice hulls—plant the flower in the pot or toss the pot in a landfill—either way there is no negative impact on the environment

Grass River Natural Area

Nestled in the hills of Antrim County in Michigan's northwest corner of the lower peninsula, the Grass River Natural Area encompasses lakes, a meandering river, rushing streams and crystal clear creeks – a haven for plant and animal life, including both rare and endangered species. This adventure in environmental tourism lies midway on the renowned Chain of Lakes.

Grass River Natural Area has something to offer everyone, 365 days a year, free of charge.

- Boat the river
- Hike the trails and boardwalk
- Snowshoe and ski
- Enjoy over 1,300 acres of unspoiled wilderness

GRNA is a rustic preserve with few amenities, but that is part of its charm. The access road is well maintained and some areas are handicapped accessible.

The GRNA Volunteer Board and Staff would like to Thank You for Participating in our Annual Flower Sale!

Your generous support helps us with:

- Preserving land and streams
- Maintaining trail signs and boardwalks
- Providing programs for children and adults
- Offering school visits
- Scheduling year round community events

If you have questions about the Flower Sale, or about the Grass River Natural Area, please call one of us on the GRNA Flower Sale committee and we'll be happy to help.

Note about hanging baskets: Should the described hanging baskets not develop to the growers standards, substitutions may be made.

ORDER FORM (Please fill out both sides of form completely and clearly)

Yes, the winter wind is howling, but it is truly time to think Spring and order flowers for summer color! Please join us again this year for our 4th Annual Flower Sale and purchase your Spring and Summer flowers now. We have received many compliments on the quality and beauty of the plants and this is a great way to support the Grass River Natural Area.

This year we're offering deep rooted annuals in biodegradable pots as well as beautiful hanging baskets in full bloom. Peruse our colorful catalog to order exactly what you want.
